**“OLD CAR DAY”**

**Old Car Day**  
**Thursday September 1<sup>st</sup> 2022.**  
**Bethany Reserve; Bethany Road, Bethany 11.00am**  
**BYO Lunch**

The first day of Spring, September 1<sup>st</sup> is promoted by the Federation of Historic Motor Vehicles SA as “Drive It Day” in SA. You are encouraged to take your historic vehicles out so that the public can see them. Take them to work, take them shopping, go for a drive, organise a run.

The Gawler Veteran Vintage and Classic Vehicle Club invites your club or club members to join us at Bethany Reserve; Bethany Road, Bethany at around 11.00am on Thursday September 1<sup>st</sup> 2022.

The Gawler Club has organised runs to Bethany starting as follows:

Fremont Park, Elizabeth  
Princes Park, Gawler Showgrounds, Gawler

All runs meet at 9.00 am for 9.30 am start.  
You are welcome to join us, organise your own runs, or just turn up.

It is all very informal, BYO lunch, toilets and a large shelter are available, but we suggest that you bring chairs.

Unlike the last 2 years, at this stage no Covid conditions apply, but please comply with any health conditions that may be advertised at the time of the event. In particular, please do not attend if you have cold or flu like symptoms.

It is a great opportunity to mix informally and share our hobby. So, come along, meet with fellow enthusiasts, have a chat, give the old vehicle an airing.

LAKE PERKOLILLI RED DUST REVIVAL 2022

19 TO 25 SEPTEMBER 2022

## Friday 17.6.22

Just arrived at Mungerannie station they tell us that the Diamantina River will be open by the morning to cross over to Birdsville. We have started to pass a lot of cars coming from Birdsville as they said the river was low enough to cross now so here, we go.

We have not lost an Austin Trevor Gent and Rosalie have decided to head for William Creek instead of Birdsville.

**Saturday 18.6.22**

**They made it to Birdsville**

**What did we do before mobile phones?**

## Monday 20.6.22

Return to Mungeranie as the trip further north has been abandoned due to time constraints.

## Tuesday 21.6.22

Back to Marree. In the best Austin 7 tradition the Austin had to jump start the backup vehicle on Tuesday morning.

## **Wednesday 22.6.22**

**Andrew has been rolling around in the dirt because his earth wire fell off. He will probably keep telling us how superior a Magneto is as it generates its own power.**

**They all arrived safely at Hawker.**

# Centenary Celebrations

Exactly one hundred years ago, on the 5th of June 1922, the first three examples of the Austin Seven were announced to the public at the Works Gala. Whilst many were sceptical, we must thank Sir Herbert Austin for his foresight and courage in bringing enjoyment to millions of motorists and which continues to do so to this day. A double celebration on this Jubilee weekend.

How did Tim Williams celebrate he took his Austin 7 to the beach when it is 8 degrees.
