Bay to Birdwood 2022

The Bay to Birdwood 2021 was cancelled due to Covid and the entries were carried over to 2022.

Somewhere in the hand over from the Federation of Vintage car clubs to the History Trust of S.A. the event has suffered.

Program

There was no program supplied at the start only a leaflet for collection of a plaque at the finish.

This happened in 2020 however the list was on the net.

The latest program on the net is 2021 which did not go ahead and although entries were carried over to 2022 there were new and extra entries this year.

Commentary at the start.

Silence is golden what happened to Michael Scheid giving a professional and knowledgeable commentary of each vehicle as it passed the starting line?

Parking at the start.

Some vehicles at the start had a V on their entry number for Vintage or Veteran and were parked in a line at by the starting line while other vehicles of the same make and model did not have a V and were mixed in with the post 1930 vehicles. Trucks seem to be lost with trucks mixed with the post 1930 cars including a rather large Unimog.
