Historic Motor Vehicle Gathering

19th March 2023

10.30am -2.30pm

More than 200 veteran and vintage and classic cars, trucks and motorcycles will converge on the Adelaide Parklands for a public display on the 19th March 2023

Organised by The Vintage Sports Car Club of South Australia, the annual Historic Motor Vehicle gathering is primarily for vehicles built before 1931, with post '30 (classic) vehicles displayed separately. On display will be everything from spindly, single-cylinder cars and bikes well over 100 years old, capable of just 40kph, to large eight-cylinder luxury vehicles from the height of the "Roaring Twenties" more than capable of mixing it with modern traffic.

The vehicles will be displayed in Edwards Park (Park 23) on the western side of Anzac Highway, between the Keswick Bridge and West Terrace from 10:30am to 2:30pm.

There is *no entry form or admission charge* for entrants or spectators, and *free car & trailer parking* is available on the same grounds.

Enter off Anzac Highway.

There will be on-site catering.

Austin 7 Club members to meet at Villi's Bakery Mile End for Coffee at 10am.

PRE-WAR RUN – AUSTIN 7 RUN SA MAY 6-8, 2023

Preliminary plans are underway to have a weekend Austin 7 run up to the Adelaide hills on May 6th - 8th 2023.

The Itinerary could end up something like the following.

- Meet at Hazelwood Park and travel up Greenhill Rd ready for a 9.00am departure travelling up Greenhill Road then turning right onto Mount Lofty Summit road proceeding to Mawson Drive on your left and make your way to Mount Lofty Botanical Garden where we will have a walk through part of the garden.
- On departing the garden, I suggest we follow the leader and return back to Crafers perhaps driving around the historic Mount Lofty House car park on the way. Once back at the Crafers roundabout take the first exit on the left and proceed to the SE freeway briefly before taking the Stirling exit and slowly making our way to Aldgate where we have a number of options for lunch including Fred's Eatery, Dirty Doris's or possibly the Aldgate Pump Hotel.
- After lunch we will make our way to Hahndorf and check in to our accommodation for the next two nights (The Old Mill). After this participants are encouraged to explore Hahndorf until pre dinner drinks prior to an evening meal at a venue yet to be determined.
- Sunday morning breakfast will be of your choosing with a number of establishments offering traditional German style breakfasts. Following breakfast, a 9.30am departure will see us heading for Woodside with a visit to the Chocolate factory before heading up to Lobethal for lunch (possibly at Lobethal Bierhaus). After lunch we will take a different route back to Hahndorf where we will have our evening meal.
- Monday will see us depart Hahndorf and head for home.

Your oil's O. K. But your Fan Belt's in pretty bad shape. If you'll just hand me your Spare Belt I'll put it on for you.

Why, I don't carry a spare Fan Belt. Better put on a new one.

to EXTRA PROFITS

When you check the
OIL, check the
FAN BELT, TOO!

Hundreds of Garagemen all over Australia are picking up nice extra cash profits in this simple way:

Every time you lift the bonnet—LOOK AT THE FAN BELT. If it's grease-soaked and slipping, offer to put on your customer's spare belt for him. He won't have a spare, so naturally he'll buy a new belt.

You'll find this the smoothest selling idea in years—you'll be surprised at the extra profits you ring up on the old cash register!

1935 Austin Seven Ruby - Egan Body

We bought this Ruby as a project in the back corner of the garage waiting for a rainy day. That was COVID. This car has been a long time Victorian vehicle which was driven by one of the long standing Austin 7 enthusiasts on the Mornington Peninsula. It was then sold and went to SA, before we saw it advertised and bought it back to Victoria some 15 years or so ago.

We have spent a small fortune at Austin seven spares but we didn't keep records of receipts as we don't want to know. 95% complete with all missing parts available from Austin Seven Spares. The motor has had a ground 2 bearing crank, new metalling, seated valves, and new bearings. New Pistons. We have painted the car in 2 pack paint and new upholstery is almost completed. We have bought a few hard to get items along the way (cutout and SU carburettor) but are yet to hook it all up and hear the car run. We have run out of steam with our Ruby project and decided to sell it for \$9,000 Contact: Julie and David Jones 0416 287 797 Located in Victoria.

Queensland

I am considering selling my 1927 Holden bodied roadster. I purchased it from a Victorian club member almost 3 years ago and it's been an absolute pleasure to own. Always starts easily, runs amazing, stops better than my Model T, and has never let me down. It's not a concours car but it's in extremely good condition all over both mechanically and physically. Everything works as it should. I have a lot records from its history and a huge amounts of its receipts. I'm only selling as I have too many cars on the go.
