Historic Motor Vehicle Gathering

19th March 2023

10.30am -2.30pm

More than 200 veteran and vintage and classic cars, trucks and motorcycles will converge on the Adelaide Parklands for a public display on the 19th March 2023

Organised by The Vintage Sports Car Club of South Australia, the annual Historic Motor Vehicle gathering is primarily for vehicles built before 1931, with post '30 (classic) vehicles displayed separately. On display will be everything from spindly, single-cylinder cars and bikes well over 100 years old, capable of just 40kph, to large eight-cylinder luxury vehicles from the height of the "Roaring Twenties" more than capable of mixing it with modern traffic.

The vehicles will be displayed in Edwards Park (Park 23) on the western side of Anzac Highway, between the Keswick Bridge and West Terrace from 10:30am to 2:30pm.

There is *no entry form or admission charge* for entrants or spectators, and *free car & trailer parking* is available on the same grounds.

Enter off Anzac Highway.

There will be on-site catering.

THE BARKER HOTEL

Built around 1840 and originally named the Scotch Thistle, this modernised and elegant hotel has retained many of its heritage features including much of the original stonework. Located just 15 minutes up the freeway in the heart of Mount Barker in the Adelaide Hills, The Barker Hotel maintains a warm and welcoming environment from the moment you step inside.

Please meet at Lobethal Bakery at Woodside from about 10.15am because we leave at 11.15 for lunch at The Barker in Mt Barker. Only 20 seats have been able to be booked at The Barker as the hotel has other bookings, but if we arrive at 11.45 and are seated by 12noon we'll have our orders taken before the other parties arrive. Our spot is not in the main bistro area but between the second and third doorway coming in from the rear car park.

PRE-WAR RUN – AUSTIN 7 RUN SA MAY 6-8, 2023

Preliminary plans are underway to have a weekend Austin 7 run up to the Adelaide hills on May 6th - 8th 2023.

The Itinerary could end up something like the following.

- Meet at Hazelwood Park and travel up Greenhill Rd ready for a 9.00am departure travelling up Greenhill Road then turning right onto Mount Lofty Summit road proceeding to Mawson Drive on your left and make your way to Mount Lofty Botanical Garden where we will have a walk through part of the garden.
- On departing the garden, I suggest we follow the leader and return back to Crafers perhaps driving around the historic Mount Lofty House car park on the way. Once back at the Crafers roundabout take the first exit on the left and proceed to the SE freeway briefly before taking the Stirling exit and slowly making our way to Aldgate where we have a number of options for lunch including Fred's Eatery, Dirty Doris's or possibly the Aldgate Pump Hotel.
- After lunch we will make our way to Hahndorf and check in to our accommodation for the next two nights (The Old Mill). After this participants are encouraged to explore Hahndorf until pre dinner drinks prior to an evening meal at a venue yet to be determined.
- Sunday morning breakfast will be of your choosing with a number of establishments offering traditional German style breakfasts. Following breakfast, a 9.30am departure will see us heading for Woodside with a visit to the Chocolate factory before heading up to Lobethal for lunch (possibly at Lobethal Bierhaus). After lunch we will take a different route back to Hahndorf where we will have our evening meal.
- Monday will see us depart Hahndorf and head for home.

Attached is a photo of my father Ross Roberts, the driver and Brian Langeludecke who were members of the club in the 1950's.

I think it was taken up in the Kuitpo area during a 'mud rally'.

Ross Roberts is a name that comes up in Austin 7 history if anyone has any details can it be forwarded to me and I will send it to his daughter. Editor

How to keep your Chummy young at heart.

You could say that Castrol and the Austin 7 have grown up together. As Austins get older, so Castrol gets better.

Looking back over 50 years of togetherness, giving a Seven Castrol GTX is the best thing that ever happened to it. Or to any other car, for that matter. Because GTX has what it takes to keep a car young at heart.
