70 th Anniversary

of the Austin 7 Club of S.A.

The club held its first meeting on the 29th of June 1953 at Glenelg and is still going strong today.

The Austin 7 Club of S.A. Inc. turned 70 years old this year and we are having a celebration at the clubrooms on Sunday 15th October 2023. between 11am and 3pm.

If you have a “club” vehicle (historic or race), feel free to bring it so it can be on show as part of the celebration.

A light lunch, for you & your immediate family, will be available in the clubrooms at 12 noon,

Providing you “Reply” by 1st October 2023

Coffee and Cars at Port Noarlunga 10.9.23

Morgan with side valve Ford Power

Dodge Monaco with timber side trim.

On the way home from Coffee and Cars at Port Noarlunga my Austin 7 Meteor developed a hole in the middle of the welsh plug in the head. I Drained the rest of the water out let it cool down mixed up some J.B. Weld (which was in the other car so had to buy some more) and let it set for 6 minutes. Refilled the radiator and made it home without loss of water.

J.B. Weld works.

You're welcome!

Distributors: A. G. HEALING LTD., Sydney, Melbourne, Adelaide

I have for sale a Hydrosteer power steering unit that fits Austin Westminster A110, Austin Princess DM4 Limousine, Vanden Plas Princess 3 Litre Mk II, Vanden Plas Princess 4 Litre R and Wolseley 6/110. The unit has been out of service and in storage for many years and while externally all parts appear to be in good serviceable condition the condition of the internals is unknown. However, the unit was operating satisfactorily prior to removal from the vehicle although it is likely that seals may need renewing.

The unit was removed from a Wolseley 6/110 Mk II but I expect that the parts would be suitable to convert a Westminster A110 from manual to power steering. The parts included in the sale are:

Steering column assembly complete - inner and outer

Steering column universal to steering gear

Hydrosteer steering gear assembly

Steering lever

Holbourne Eaton pump with high pressure hose

Reservoir and bracket assembly

N.B. Not included are:

Low pressure hose reservoir to pump

Low pressure hose reservoir to steering gear assembly

Nacelle upper and lower

The complete unit and parts to convert a Westminster A110 from manual to power steering is offered for sale @ \$2000 o.n.o.

I may also consider selling the Hydrosteer steering gear and/or the Holbourne Eaton pump to an owner of an Austin Princess DM4 Limousine, a Van Den Plas Princess 3 Litre Mk II or a Van Den Plas Princess 4 Litre R for a reduced sum. They should fit any of those vehicles.

I can be contacted by:

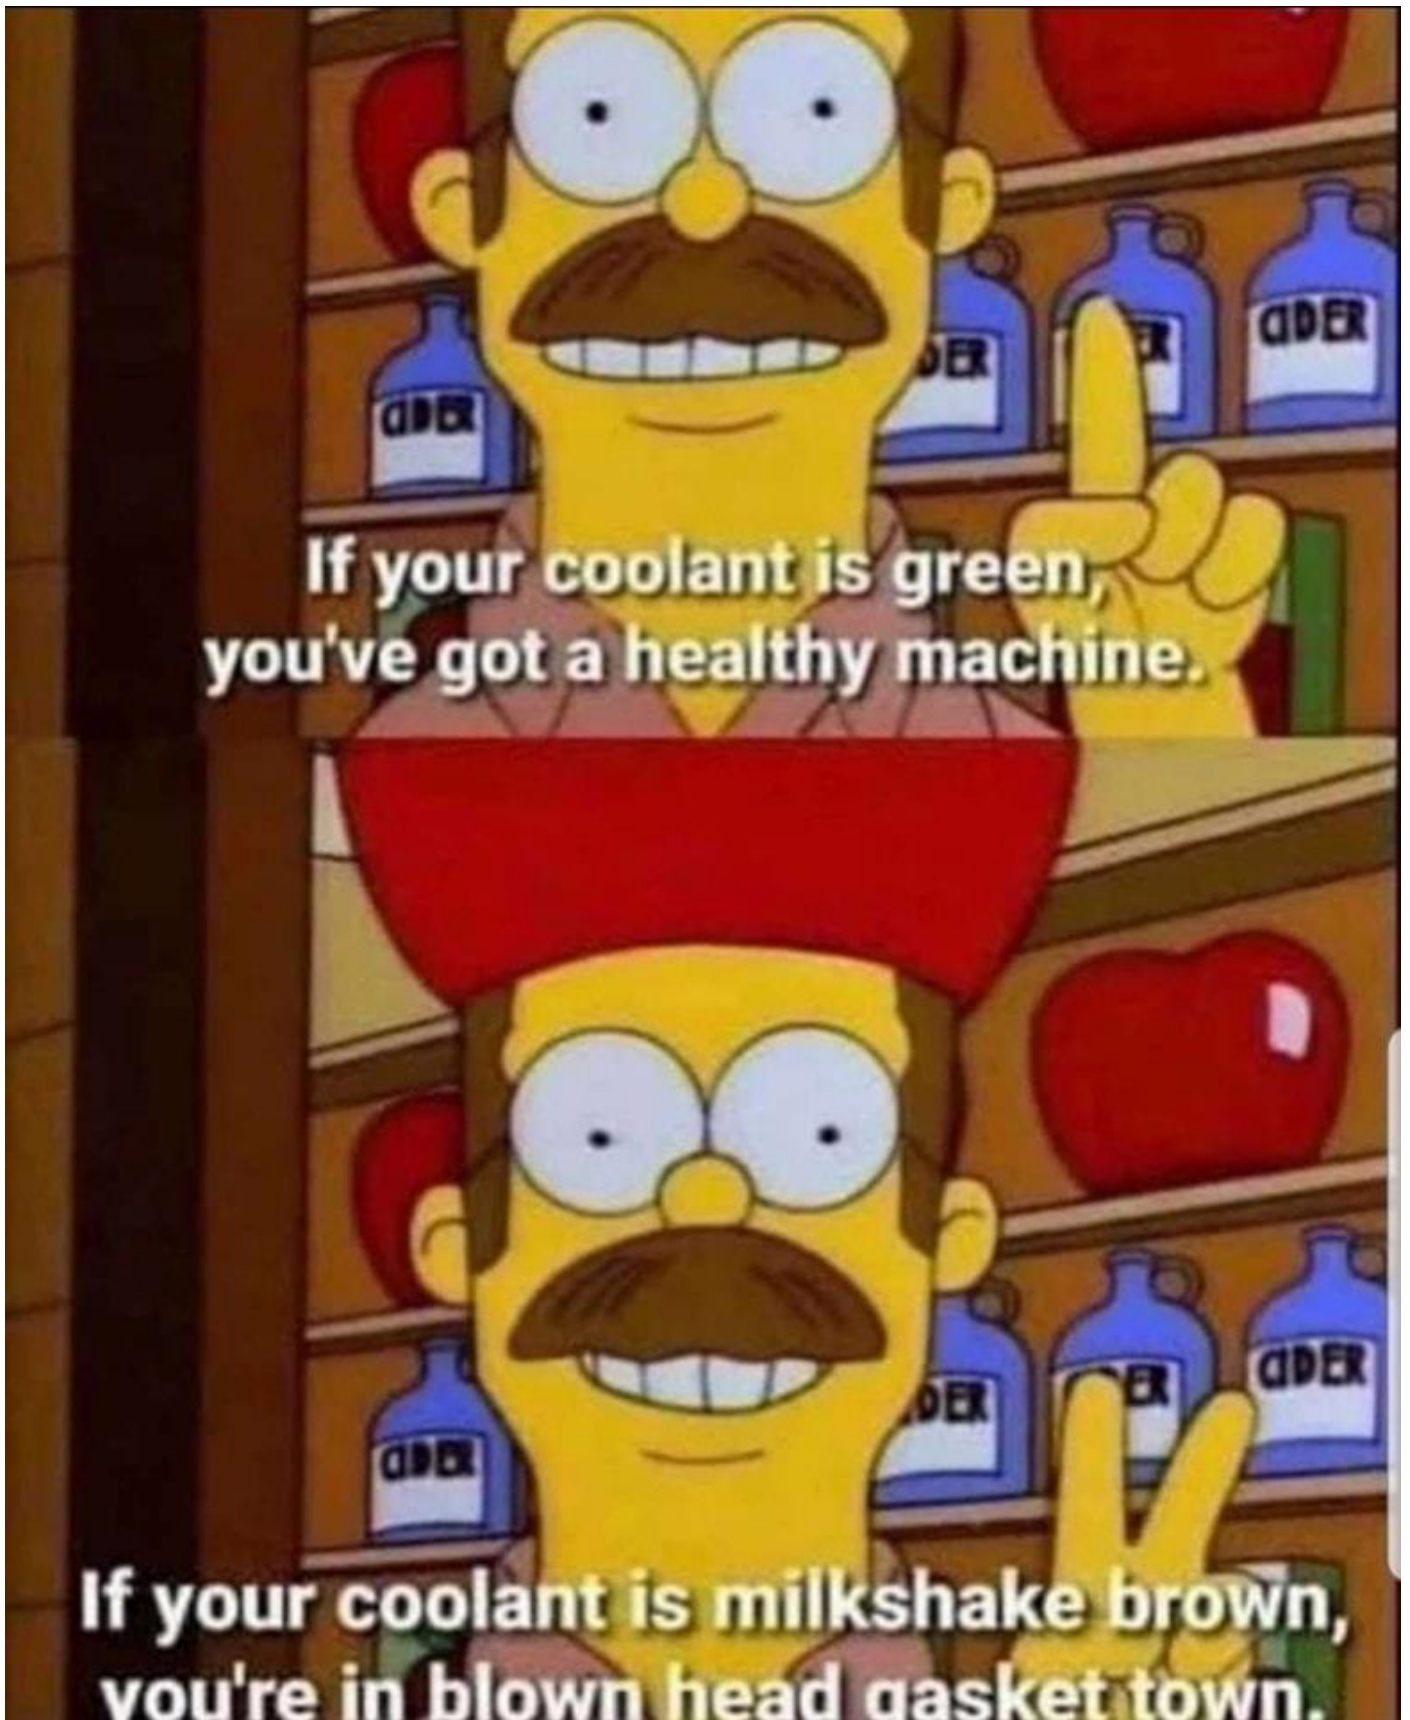

email: gjtaylor@internode.on.net

Mobile: 0410 277 644 (please leave message and I will return call as soon as possible)
