Swan Hill Border Run 2024

Thursday 12th September to Monday 16th September

Take your historic car (or “modern”) on a holiday across the Border. The annual Border Run, this year to Swan Hill, is being organised by the Victorian Austin 7 Club.

We will travel part way on Thursday at a pace considerate of the older cars. The weekend officially starts on Friday with registration and evening meal with the local car club members. On Saturday evening, dinner and the renowned Sound and Light show at the Pioneer settlement. The weekend will also include visits to many local attractions including the Lake Boga Catalina Museum. More information will follow.

Accommodation has been organised at the Murray Downs Resort, a short drive across the Murray into NSW. HQ will be based here. There is plenty of room for parking of trailers to be safely stored on site. We have a limited number of rooms on hold. Early bookings are requested in case more rooms need to be reserved. Other accommodation options are available if you want to book your own.

Registrations close in August, but to ensure you get the accommodation you want, don't delay. Cancellations can be made up to late August if you need to pull out.

Contact for a registration form and more information:

1959 MINI Austin A35

\$8,000

South Australia

I am selling this rare Austin A35 van. I have owned it for 27 years. It has a very straight, excellent body with no rust ... basically it's in fantastic shape. It needs a battery and to be registered as I haven't driven it for years but it drove really well when I last did. I do love it and never wanted to part with it but realise I should let it go to someone who will drive it or have some other kind of fun with it. It turned so many heads when I drove it and to be honest, that's why I stopped driving it (I felt too self-conscious). It would be absolutely fantastic for a small business to put their mark on it and use it for promotion. It would get noticed, that's for sure. It's neat and clean but if you're really fussy, you'll want to replace/fix some things (well this car is over 60 years old). But nothing major. Nothing that can't be done easily.
