SIX-HOUR RECORD

SMALL CAR'S FAST RUN.

TOTAL OF 360 MILES COVERED

An Australian and New Zealand six-hours' dirt-track speed record was established by Messrs P. Seabrook and R. M. Grierson at Henning's Speedway, Mangere, on Saturday. Starting at 11 a.m. the super-charged Austin seven covered 360 miles by 5 p.m. at an average speed of 60 miles an hour. There was no previous record.

Conditions were excellent for the attempt. The only stops made were for water, oil and petrol replenishment, no mechanical defects arising. A total of 294 laps was covered, each lap being about one and a quarter miles long. The car travelled with remarkable consistency throughout, the lap times varying from 65s to 67s, Messrs Seabrook and Grierson taking hourly shifts at the wheel. The attempt was conducted under the auspices of the Auckland Automobile Association which provided officials, including time-keepers.

Swan Hill Pioneer Village

Swan Hill Border Run 2024

Thursday 12th September to Monday 16th September.

Take your historic car (or “modern”) on a holiday across the Border. The annual Border Run, this year to Swan Hill, is being organised by the Victorian Austin 7 Club.

We will travel part way on Thursday at a pace considerate of the older cars. The weekend officially starts on Friday with registration and evening meal with the local car club members. On Saturday evening, dinner and the renowned Sound and Light show at the Pioneer settlement. The weekend will also include visits to many local attractions including the Lake Boga Catalina Museum. More information will follow.

Accommodation has been organised at the Murray Downs Resort, a short drive across the Murray into NSW. HQ will be based here. There is plenty of room for parking of trailers to be safely stored on site. We have a limited number of rooms on hold. Early bookings are requested in case more rooms need to be reserved. Other accommodation options are available if you want to book your own.

Registrations close in August, but to ensure you get the accommodation you want, don't delay. Cancellations can be made up to late August if you need to pull out.
