A Word from GB

Hi Members and Friends,

As a club we have cruised along quite comfortably over the past three months bringing together the up and coming Austins Over Australia to be held in Tanunda at the Chateau Tanunda Winery. There will be a number of outings and three well catered for dinners during the 5 days, rocker cover races and a lot of camaraderie with fellow entrants.

Have you signed up to come, even if it is for one day, or are you able to help do something on a day? Ralph Drage would certainly like to hear from you if you can. Further information is in this Journal.

The Annual General Meeting of the Club will be held on Monday 9th September 2019. Martin, our secretary, has indicated that he wishes to step down after filling the position for 5 years.

This is a very important job on the Committee and Martin has fulfilled this position in a very caring and thoughtful way. We need someone to put up their hand and take on the position and be part of a great club and committee.

All committee positions will be declared vacant and you can stand for any of the positions. Why not give it a try?

"Come and try training day" for Modern Regularity that was held earlier this year, has resulted in several new drivers participating in the next two events with one of them winning one of the rounds. I congratulate Paul Papanikolaou for his persistence in driving the circuit to the best of his ability as a new driver.

It is now twelve months since we covered in the back area of our club and several barbecues have been held successfully, out of the sun and rain. When the cold goes away, we will be out there again enjoying the atmosphere.

Do you have any stories that you can tell about the club over the past 50 odd years? Please let me know so we can record them before we lose them.

Welcome to our new members, I hope your stay with us will be memorable. They are:

Jane BROWN, Mark LANGMAN, Paul PAPANIKOLAOU, Steven EDGE, Ivan MAGLICA, Gail RICHARDSON, Charles SEAL, Richard FOSTER, and Emily COLLIS

Modern Regularity: TTM Trophy - Round 2, 14 April 2019

Sunday 14th April was another warm to hot day; 45 drivers (including 6 Rookies) entered and again Darryl Brigg was our sponsor.

Two weeks previously, we had conducted our first “Come-and-Try” day at Mallala, at which 17 new drivers were instructed in the procedures of motorsport entry and racing rules etc. They were then given practical car control lessons – slalom, braking, swerve and recovery etc – and then driven around the track with an experienced driver as instructor and finally let loose under their own steam for a real Regularity session. The day was very successful, as shown by the fact that nine of the participants (some as Rookies) entered this April meeting – with success as noted by the * in the following. Also note the competitiveness among the regular drivers – many of whom scored 0 laps during the day.

HEAT 1, 5 laps - 1st Andrew Young Hyundai Excel, 14 pts; 2nd Gary Owen Toyota 86, 19 pts; 3rd Alec Donnon Mazda 323, 19 pts; 4th Sandy Watters Peugeot 206 GTi, 22 pts*

HEAT 2, 6 laps - 1st Andrew Young 15 pts; 2nd Geoff Stephens Hyundai Excel, 20 pts 3rd Sandy Watters 22 pts; 4th Jason Thiele Ford Laser 26 pts

Now it was time for the ladies to strike back!

HEAT 3, 6 laps - 1st Kristen Bailey, 21 pts; 2nd Gary Owen 23 pts; 3rd Philip Scadding Toyota MR2, 24 pts, 4th Caroline Kadziela* Toyota 86, 25 pts*

It is worth noting that Kate Stephens Hyundai Excel 35 pts finished 9 placings ahead of her dad Geoff on 47 pts! – The Training day had paid off!*

HEAT 4, 7 laps - 1st Sandy Watters 8 pts; 2nd Philip Scadding 17 pts; 3rd Jason Thiele 26 pts, 4th Caroline Kadziela. Sandy's score was only one off the 7 lap record.*

The meeting placings are: 1st Sandy Watters 119 pts; 2nd Andrew Young 148 pts; 3rd Gary Owen 119 pts; 4th Nick Metcalfe BMW 2002 123 pts*

*The **TTM Trophy** placings are: 1st Sandy Watters 151 pts; 2nd Tony Hixson 86 pts; 3rd Kristen Bailey 78 pts; 4th Andrew Young 75 pts; 5th Nick Metcalfe 75 pts*

*This was also Round 2 of the **Rookies Cup**.*

HEAT 1, 4 laps – 1st David Smeets Mazda MX5, 19 pts; 2nd Kathryn Page* Ford Corsair, 38 pts; 3rd Aaron Oliver* Hyundai Excel, 61 pts; 4th Maureen Maurer* Peugeot 206, 189 pts*

HEAT 2, 5 laps – 1st Paul Papanikolaou Holden Commodore 48 pts; 2nd Maureen Maurer* 52 pts; 3rd Kathryn Page* 55 pts; 4th Craig Blaker Mazda RX4 58 pts*

HEAT 3, 5 laps – 1st David Smeets 28 pts; 2nd Aaron Oliver* 43 pts; 3rd Craig Blaker; 4th Kathryn Page* 105 pts*

HEAT 4, 5 laps – 1st Aaron Oliver* 16 pts; 2nd David Smeets* 42 pts; 3rd Maureen Maurer* 46 pts; 4th Kathryn Page* 70 pts

Note how the driving skills/scores improved as the day progressed.

The meeting placings are: 1st Aaron Oliver 185 pts; 2nd David Smeets* 193 pts; 3rd Kathryn Page* 268 pts; 4th Maureen Maurer* 437 pts*

*The **TTM Rookies Cup** placings are: 1st Maureen Maurer* 119 pts; 2nd Joel Taylor 71 pts; 3rd David Smeets* 66 pts; 4th Aaron Oliver* 65 pts*

*Congratulations to all drivers, especially those new to the track and all officials who had to contend with the *very persistent flies* (again!!).*

Austin Seven Pre War Run in Meningie SA on 25/28 April 2019

John & I headed over to Meningie on Wednesday in the "Brock" Commodore as I had hurt my arm so couldn't drive Ruby. We had won the early bird prize so we were in the King Spa Room of the Meningie Motel. It was a lovely spacious room & the spa was good and it helped with the sore arm. I used it 3 out of the 4 nights we were there.

On Thursday we met up with the others that were coming from Adelaide at the Pangarinda Botanical Gardens where we all had lunch before a tour of the gardens. The gardens started in 1993 with weed infested, eroded sand drifts with a few remnant patches of pines. They now have 12ha planted with Australian Natives, all planted & maintained by volunteers. It was a very informative & interesting tour of a lovely Botanical Garden.

On our way to the motel we stopped off at Deb & Andrews for afternoon tea & checked out their new house, it's very nice. Our welcome dinner was in the Motel's little café, and we had beautiful Coorong Mullet & chips cooked to perfection by Andrew, it was delicious.

On Friday morning we had a photo shoot of the Austins in front of the Meningie township Sign before heading to the Ideal View Goat Farm. Andrew & Deb's daughter, Bec & husband John, gave us a tour around their farm we got to pet the 8 week old kids who loved sucking on our fingers. We also got to have cuddles with some of the mother goats who were all individually named. Afterwards we had afternoon tea with a taste of some goats milk and goat cheese products.

I really enjoyed playing with the goats they were so friendly & just wanted to be near you. In the afternoon we had free time to visit the shops in town. We had happy hour in the motel's cafe before walking over the road to the Bowling Club for Dinner.

On Saturday after a photo shoot out the front of the motel, we drove in convoy to Coonalpyn. We parked in front of the silos which feature a mural of 5 young students from the local primary school who represent Hope for the future. We had a walking tour of the town showing us some of the things the towns community have done to beautify their town.

There is a statue of the Silo artist Guido van Helten, made out of some of the 200 spray cans he used to paint the mural. The 'Eyes on the road' is a fence that they have put 3200 coloured metal tabs to create a pixelated image of a Wedgetail Eagle Head.

I've never seen anything like it before looking so real like his eyes followed you.

There is also a railway underpass tunnel with lots of small Murals painted by the school children & artist Barbary O'Brien.

In front of the public toilets is a Mosaic Mural with images of birds, echidna, Correa & other native flora & fauna of the region. There are a few eatery's, a Bakery, cafe, waffle hut so we all chose were & what to eat before heading back to Meningie. Some of us decided to go check out the Lookout before going to a private collection of tools Rustic Garden art. After happy hour we walked to the Meningie Hotel for our farewell dinner.

Sunday morning after our farewells we all headed home. Thanks to Beryl & Steve, Andrew & Debbie for all your organizing to make this such a great weekend we had a great time.

2019 Anzac Historic races at Mallala

The annual Anzac Historic race meeting at Mallala on 27/28 April saw the re-emergence of two racing cars with some significant SA/A7C history behind them.

Celebrating the 60th year of ELFIN cars, the meeting had 27 Elfins competing, one of which was the very first Elfin Streamliner built for A7C member Rob Brosnan (*see report in A7J #226*). This was this car's first appearance for over 40 years and has been restored by new owner Bill Bentley - who bought it in 2017 - to original specifications.

Also making its racing return since the late 1960s was the cut-down Morris Cooper S from the Jarrett family stable, which was modified by Garrie Cooper at Elfins. See the report in A7J #228, pp 34-35, where it competed in the "Sports Racing Closed" category which later became the current *Sports Sedans*. This car looks immaculate in maroon livery.

And I mustn't forget that Ian Motley raced his Austin 7, recording a best lap time of 1-42.6 – I haven't seen Ian smile so much as when he came up to the timing room afterwards!!

43rd Historic Winton 18/19 May 2019

The Austin 7 Club in Victoria has been holding a Historic Race Meeting at Winton in May for 43 years. This year's event was a week earlier due to the V8 supercars changing their weekend, basically swapping weekends with the Austin 7 Club.

South Australian Austin 7 Club members as usual, supported this event with at least 12 members making an appearance either as an entrant or just as a spectator.

Geoff Redin, 1928 Austin 7 Special and Stuart Brown 1919 Dodge Speedster have been regular "Regularity" entrants for many years and this year was no exception.

Austin 7 Technical Night Monday 27 May 2019

David Grear reported on the meeting where he spoke about wheel alignment and front-end maintenance.

His black Austin 7 Meteor was on display in the Clubrooms and a brief look was taken at the woodwork carried out by Tim Williams.

Meeting concluded at 8.30 with a couple of pizzas paid for by funds from a recent scrap metal drive.

There were about 25 members in attendance

Austin 7 Club technical nights are held on the fourth Monday each month at the clubrooms. Occasionally we are invited to outside premises, notification of these visits are given well in advance at meetings and via email.

2019 Border Run to Mildura 7/10 June

This year's SA/Vic Border Run was the 65th year of Border Runs, the first one commencing in 1955. Our accommodation was the Mildura Golf Resort which was comfortable with plenty of covered parking and room for trailers. Most of the Adelaide contingent met at Mount Pleasant on Friday 7 June in rather cold conditions before heading off just after 10am to cross the Murray River at Walker Flat, then via Nildottie, bypassing Swan Reach then to Loxton for lunch.

Saturday we went to the Sunraisia Aerodrome to view a display of aircraft and vehicles. The local aircraft club had morning tea and barbecue available if wanted. A very enjoyable morning for us. After lunch we visited our hosts Lee & John Sandford's home in metropolitan Mildura where surprises were at every corner. Their very homely home was also home to the largest collection of bears imaginable.

Next day, Lee outlines the day's entertainment where we visited Varapodio Estate for a talk on olive oil production, followed by morning tea in their café and a few sales of their olive oil wares and dried fruits. Next was a visit to Allan Long's place for a look at his vineyard for the production of dried sultanas. We spent a bit of time here which included a lunch. Thank you Allan for showing us part of your working day and also for allowing us to see your restoration projects.

At Allan Long's 15 Acres of Sultana vineyards.

After lunch it was a short drive to the historic Mildura Wine Estate Museum where we given a tour of the old premises and the memorabilia stored at the old distillery.

The evening meal on Sunday was a rather splendid affair with a carvery and selected vegetables, this evening was the awarding of the Athol Lamont Trophy and the winner of the 65 years of Border Runs was Trevor Gent who drove his Austin 7 to Mildura all the way, and Rosalie was relegated to the Landcruiser with trailer (just in case).

A special thank you to Daryl & Margaret Beasy for reacting to a problem and organized our accommodation at the Mildura Golf Resort at short notice which turned out to be an ideal venue for the Border Run.

Also, a special thank you to Lee & John Sandford who hosted our tours of the district and allowed us to visit their home and other sights of Mildura, greatly appreciated by all of us.

Austin 7 Club members who attended included Scott APPLEYARD, Alan & Val BAKER, Barney & Jean BUNKER, Chris CUTTING, Andrew & Debbie DAWES, Ralph & Marie DRAGE, David GARNETT, Bob & Christine GELL, Trevor GENT & Rosalie, Bill GOWER & Suzanne, David & Michele GREAR, Martin & Dianne LEWIS, Greg & Julie LINDSAY, Ron & Grace SCHACHE, David SEARLES, Keith & Wendy SEIDEL, Laurie & Pam SUTTON, Leigh & Marilyn THOMAS, Graeme & Bev LOGAN, Dennis & Jenny McILROY Michael & Helen SHEGOG, Allan LONG, Daryl & Margaret BEASY and Lee & John SANDFORD.
